ZAKAT RECEIVING AND  
UTILIZING SYSTEM OF SHINE HUMANITY

SHINE Humanity is a 501c3 organization based out of Tustin, California. Established in 2009. Its mission is to provide compassionate, sustainable preventive and primary healthcare to the underserved by collaborating with in-country partners.

Despite this all work is done with not only charity and donations else Zakat is also used for this purpose. We all know that Zakat is one of the main pillars of Islam standing with its rules and regulations. It is necessary for one to follow them as without following these rules Zakat is not payable. For this purpose Alhamd Shariah Advisory Services (Pvt.) Limited has been appointed by SHINE Humanity to ensure that the Zakat is used under the rules of Shariah.

We have elaborated a “**Wakalah Model System**” which stands as firstly the deserving patients confess that they are eligible for Zakat money, and secondly they confess that the SHINE Humanity can take the Zakat money on behalf of them until and unless they are the deservers, and to spend that money in medical expenses for them or other deservers or to give this money in SHINE Humanity own property. This is called Constructive Tamleek, In Constructive Tamleek, when the agent receives the amount or asset of Zakat, Zakat is considered as paid by donor. It is then the ownership of the Mustahiqqin. In this concept, number of Mustahiqqin-e-Zakat (توكز نيقتسم) can appoint one agent for receiving of Zakat on their behalf. A separate Zakat Account is maintained for this purpose and the Zakat is transferred into the SHINE Humanity own account with the patient’s agency ratio, ensuring that this particular amount is spend in direct expenses of the deserving patients whereas the charity and general donations are spend for indirectly expenses. This system runs under the guidance and supervision of Shariah Advisor.
